2026 TOPPS CHROME MARVEL STUDIOS

2026 Topps Chrome Marvel Studios returns for an even bigger celebration of the MCU, with Avengers: Doomsday taking center stage.

The 200-card base set features a multiverse-inspired design with returning Debut Medallions, including the trading card debut of live-action Doctor Doom. Ultra-rare, Hobby-exclusive Doom Packs put Marvel's greatest heroes in the palm of Doctor Doom's hand, with an autograph in every Doom pack. The layered shadowbox Doom Mask card brings the villain's imposing mask to life.

Collect original art inserts such as Marvel Murals and returning favorite Reflections (Hobby- and Delight-exclusive), plus dedicated subsets for recent Marvel Studios releases including X-Men '97 Season 2 and Daredevil: Born Again Season 2.

Look for single, dual, trio, and quad autos with an expanded roster of Marvel Studios talent, as well as Power Cosmic on-card autographs and one-of-one Actor's Notes Dual Autographs.
