2026 TOPPS COMPOSITE FORMULA 1

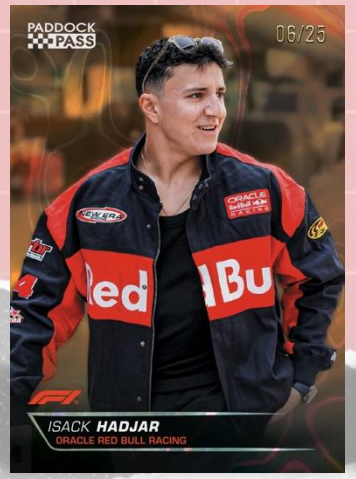

TOPPS COMPOSITE FORMULA 1

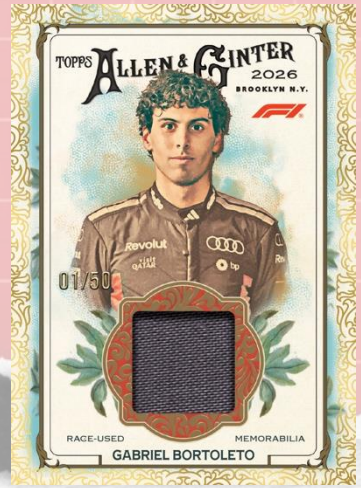

2026 Topps Composite Formula 1® blends Resurgence, Paddock Pass, Cosmic Chrome, Chrome Black, Midnight, Allen & Ginter and Heritage into a single set, with new parallels never seen in an F1® collection before. Each brand brings its own look, from the cosmic finishes of Cosmic Chrome to the dark, high-contrast style of Chrome Black and Midnight. Allen & Ginter and Heritage add the character of the most historic names in Topps. Together they give collectors a wide mix of design styles in one release, built around the drivers, legends and principals of the F1® grid.

A stacked signer list: The checklist covers all 22 current drivers, including rookie Lindblad, Norris, Piastri, Verstappen, Hamilton and Leclerc. It also features a wide selection of legends and team principals.

Key highlights:

- Look for Chrome cards, autographs, relics and inserts.
- Look for SuperFractor 1/1s in every chrome base subset.
- Composite Swatch Autographs are an auto relic set with Orange /25, Black /10, Red /5 and 1/1 parallels.
- Grand Slam Relics feature a jumbo relic, and on-card Gilded Autographs cover the F1 grid and a selection of legends.
- Allen & Ginter meets F1 with drivers, legends, track corners and famous F1 animals like Gary the Groundhog and Lionel the Lizard. Look for the Max Verstappen on-card inscription, “Simply Lovely” 1/1.
- New and reworked inserts include Launched Into Orbit (a Saturn die-cut), Home Track, Lunar Legends and Voltaic. Chrome Short Print inserts include Triumvirates, Retro Vision and Nocturnal.
- The Grail continues! Find the next three Grail inserts.
- Value Box exclusives include Base Chrome Resurgence Purple & Yellow Static and Sky Blue & Pink Shock parallels.
