TOPPS HOLIDAY BASEBALL

2026 TOPPS HOLIDAY BASEBALL

2026 Topps Holiday Baseball puts a festive spin on the familiar Topps Baseball design across a 200-card Base Set featuring veterans and rookies. Holiday Boxes, Collector's Tins, and Advent Calendars each deliver a distinct collecting experience through format-exclusive seasonal content.

Metallic Gingerbread Man and Snow Days make their debut in the 2026 Parallel lineup. Hidden Elf cards return with a playful search element, featuring five variations for each of five players - with a small elf tucked into a different location on every card. Making the NICE List! die-cuts highlight standout players and the statistics behind their best single-season performances. Together, the new and returning content gives collectors more seasonal surprises.
