2026 Topps Marvel Neon

2026 TOPPS MARVEL NEON

Neon Marvel delivers a vibrant collecting experience driven by bold neon designs. It also expands across the many worlds of Marvel fandom, with gaming-inspired Marvel Snap and Marvel Rivals content, a Friendly Neighborhood Spider-Man animation insert, and manga-inspired original art from creators Rose Besch and Leirix.

Rare inserts add another layer of collectability, with Marvel Murals spotlighting Tristan Eaton's street-art-inspired portraits, Neon Tarots leaning into mystical character themes, Marquee Motion bringing comic art to life through lenticular technology, and Bella Rachlin's Giant-Sized Booklet Autographs showcasing original artwork of some of Marvel's most bigger-than-life characters. Altogether, Marvel Neon offers a colorful, modern celebration of Marvel across comics, animation, gaming, art, and pop culture.
