

2026 Topps Vault Marvel

2026 Topps Vault Marvel

2026 Topps Vault Marvel unlocks an ultra-premium collecting experience through a high-end two-card format inspired by the exclusivity and security of an actual vault. Each box offers the chance to uncover on-card autographs, multi-signed cards, authentic production-used memorabilia, original sketches, and cards embedded with real diamonds.

Marvel's on-screen history comes to life through relics sourced from memorable props and iconic weapons, including Captain America's shield, Thor's Stormbreaker, and more. Autograph content features standout talent such as Harrison Ford, Chris Evans, Tom Hiddleston, Gwyneth Paltrow, Chris Pratt, and others, with select cards pairing signatures directly with production-used material. Also, look for first-time autographs from Florence Pugh!

Collectors can also discover original sketch artwork from celebrated comic artists including Frank Miller, Arthur Adams, Whilce Portacio, Artgerm, Ron Lim, and more! The artistry continues with box toppers featuring original work by Ariel Diaz, available in a range of parallels. Select boxes may also contain an oversized sketch card instead! Combining marquee talent, extraordinary memorabilia, luxury materials, and ambitious card constructions, 2026 Topps Vault Marvel delivers a premium experience built around the thrill of uncovering something truly exceptional.

HOBBY BOX

Each box of 2026 Topps Marvel Vault contains two (2) packs, with one (1) card per pack. Each box includes one (1) autograph, one (1) relic or sketch card, and one (1) box topper. Look for Vault Original parallels and Oversized Premiere Sketches.
